

# MANUFACTURING QUALITY ASSURANCE REPORT

Session Identifier: Multiple Clips

## EXECUTIVE SUMMARY

|                 |                     |
|-----------------|---------------------|
| INSPECTION DATE | 2026-02-13 08:18:27 |
| VIDEO SOURCE    | Multiple Clips      |
| RAG COLLECTION  | multimodal_data     |
| OVERALL VERDICT | FAIL                |

## SOP AUDIT CONTEXT

Inspect all individuals in the scene for Personal Protective Equipment (PPE) compliance. Specifically describe: 1) Presence of high-visibility safety vests (e.g. orange/yellow vests). 2) Presence of safety helmets. 3) Proximity to the moving forklift.

## DETAILED FINDINGS & VISUAL EVIDENCE

### Finding 1: Inspection Finding

|                  |                        |
|------------------|------------------------|
| TIMESTAMP        | 08:17:47               |
| SOP SECTION      | PPE & Safety Protocols |
| COMPLIANCE SCORE | 0%                     |

### AUDIT ANALYSIS:

Consistent lack of Personal Protective Equipment (PPE) across all observable periods, including absence of high-visibility safety vests and safety helmets among individuals, despite no forklift proximity issues to assess due to its inactivity.

### CHRONOLOGICAL AUDIT TIMELINE:

[0.0s - 5.0s]: No visible high-visibility safety vests or safety helmets worn by the person; no forklift in motion to assess proximity.

[4.0s - 9.0s]: Not applicable

[8.0s - 13.0s]: Not present

[12.0s - 17.0s]: **Specific Focus Areas:**

### Personal Protective Equipment (PPE):

- **High-Visibility Safety Vests:** Not applicable.
- **Safety Helmets:** Not applicable.

[16.0s - 21.0s]: None of the individuals are wearing PPE; both stand near boxes without visible safety gear. No forklift movement is observed.

[20.0s - 21.4s]: No PPE-related issues observed.

**Finding 2: Inspection Finding**

|                  |                        |
|------------------|------------------------|
| TIMESTAMP        | 08:18:06               |
| SOP SECTION      | PPE & Safety Protocols |
| COMPLIANCE SCORE | 60%                    |

**AUDIT ANALYSIS:**

The scene showed intermittent compliance with PPE rules. While some periods demonstrated full compliance (high-visibility vests and safety helmets worn, safe distance from forklift), other periods lacked safety helmets or had inconsistent PPE adherence, leading to an overall fail due to inconsistent safety practices.

**CHRONOLOGICAL AUDIT TIMELINE:**

[0.0s - 5.0s]: No individuals are visibly wearing high-visibility safety vests or safety helmets. No hazardous movements or interactions with machinery are observed.

[4.0s - 9.0s]: Yes

[8.0s - 13.0s]: Yes, the workers are wearing high-visibility safety vests and safety helmets, maintaining a safe distance from the forklift.

[12.0s - 17.0s]: **Final Answer:**  
The worker wears a yellow safety vest and a white hard hat, adhering to PPE requirements. They stay near the forklift without any interaction that would violate safety protocols.

[16.0s - 21.0s]: Yes

[20.0s - 25.0s]: Yes, one person is wearing a high-visibility safety vest; no helmets are visible. The forklift maintains a safe distance from the worker.

[24.0s - 25.067s]: Yes, the worker is wearing a yellow safety vest and a white hard hat, maintaining a safe distance from the forklift while operating it.

**Finding 3: Inspection Finding**

|                  |                        |
|------------------|------------------------|
| TIMESTAMP        | 08:18:27               |
| SOP SECTION      | PPE & Safety Protocols |
| COMPLIANCE SCORE | 0%                     |

**AUDIT ANALYSIS:**

The observer report consistently indicates a lack of required PPE (high-visibility safety vests and safety helmets) across multiple time frames for individuals in the scene, with one brief exception where an individual was not required to wear gear due to task specifics. However, the final and most relevant observation (12.0s - 13.3s) highlights a critical failure, especially noting a worker's proximity to a moving forklift without specified PPE, which is a severe safety violation.

**CHRONOLOGICAL AUDIT TIMELINE:**

[0.0s - 5.0s]: No

[4.0s - 9.0s]: None of the individuals are wearing high-visibility safety vests or safety helmets.

[8.0s - 13.0s]: No PPE violations detected. The individual is not required to wear safety gear based on the task shown.

[12.0s - 13.3s]: No visible high-visibility safety vests or helmets are present on any individuals in the scene. The worker near the
